Not yet, we will in a little bit, but your dad is in a better place. The Pr=

esident feels terrible, and is taking action to make it up. He spent hrs la=
st night with Axelrod and Valerie Jarrett just talking about how he has to =
fix this. Call Evan. Tony talked to your dad about his conversations with t=
he President. Your dad talked to Tony today, and is now in a much better pl=
ace.

The President is so upset that he did this to the VP, and promises to make =
it up. Valerie Jarrett said that they kept trying to talk to the President =
about how he beat Romney, but the President kept going back to how bad he f=
eels and how he must fix this right away.=20
