Thanks, Michael. Why don't you and I hop on the phone sometime to discuss your summer trip and see if we could provide any support? Even if there's no real support need, we'd still offer to make any connections you may need to pull off a great trip. I just got back from a CARE trip and had heard you guys were talking and think the fall tour should be a good one. Cate – tomorrow or the end of next week might be best for me as I'm pretty wide open. Thanks. Rob

Hi Hunter and Rob – Would be happy to discuss this with you.

We had been speaking with CARE about collaborating on its fall Learning Tour. In addition, as part of our push for US leadership on nutrition and Thousand Days, we are planning a separate delegation trip to a country (yet to be decided) this summer.

If you want to schedule a meeting or phone call, Cate Kennedy in my office would be happy to set it up.

Hunter and Rob: wanted to introduce you to my colleague and good friend Michael Klosson who is in charge of these efforts. I have spoken to him and he welcomes the chance to brief you both (or Rob?) on the trip and all things save the children related to trips!

Hope that you all can connect one day soon.

Warmly, mark

Mark-

I hope you are well. I wanted to follow up on a conversation you, Rob and I had a while back at the McGovern fundraiser in our office regarding the work we do for CARE and ONE. Rob is currently in Africa on a trip with CARE and he was told that Save the Children is organizing an trip of influentials to Africa in concert with the Gates Foundation and might be in need of some help/advice on how to put it together. While I know the international side is not your responsibility I was wondering if you knew who was working on this trip might want to make the introduction for Rob to talk to them. I have cc:ed Rob on this email.

Let us know if you have any questions. Look forward to seeing you sometime soon.

Best,

Hunter
